Key Takeaways

Brilltech Engineers and Jeetmull Jaichandlall are leading cable tray manufacturers in Zimbabwe offering durable, high-quality solutions suitable for fire-resistant applications. Key Manufacturers and Suppliers1. Brilltech Engineers Pvt.

Ltd. Brilltech Engineers is a prominent supplier of galvanized cable trays in Zimbabwe. Their trays are made from high-grade steel with a hot-dip zinc coating, providing corrosion resistance and long-lasting durability.

The perforated design ensures proper ventilation, which helps prevent overheating of cables, a critical factor in fire safety. Brilltech emphasizes efficient cable management for industrial, commercial, and infrastructure projects, and their products are designed for quick installation and optimal performance in harsh environments (source:). 2.

Jeetmull Jaichandlall (P) Ltd. This company is recognized as one of the top cable tray manufacturers and suppliers in Zimbabwe. They offer a wide range of cable trays in various sizes, shapes, and finishes.

Their products are made from sturdy metal wires or steel, ensuring resistance to impact, deformation, and wear over time. Jeetmull Jaichandlall focuses on high-quality manufacturing standards, making their trays suitable for applications requiring fire safety and durability (source:). 3.

Canlink Pvt Ltd. Canlink provides perforated cable trays, which allow for better heat dissipation and can be integrated into fire-resistant cable management systems. While specific fireproof certifications are not listed, perforated trays are commonly used in environments where fire safety and cable ventilation are important (source:).

Considerations for Fireproof Cable Trays

Material: Steel or galvanized steel is preferred for fire resistance. Design: Perforated trays improve airflow and reduce heat buildup. Certifications: Check for compliance with local fire safety standards.

Installation: Proper installation ensures maximum fire protection and cable safety. For projects in Zimbabwe, contacting these manufacturers directly can provide customized solutions, including fireproof or fire-resistant cable trays tailored to your specific requirements. Brilltech Engineers and Jeetmull Jaichandlall are particularly noted for their durable, high-quality trays suitable for industrial and commercial applications.
